Sara Smith
Artist of the Month

I have been marbling for about ten years having learned from Galen Berry (Oklahoma City) who taught a course at the NH Institute of Art in Manchester. In addition, I’ve studied with Chena River Marblers (Dan and Regina St John, Amherst, MA) at the North Bennett Street School in Boston. Although my formal education and career were in forestry and education, I’ve found marbling to provide the perfect balance. Much of my marbling is inspired by nature, as well as quilt patterns—another passion.
