The sympathy of the entire community goes out to Mr. and Mrs. W. A. Plumer in the sudden loss of their only daughter, Lucia, who passed away June 9, at Braintree, Mass.

She was born in Lee, May 5, 1898, attended the town school; graduated from Dover high school; completed her education at Keene Normal school and became a very successful teacher, having taught in various sections of different states, thus having an unusually large circle of friends who showed their love and esteem by the profusion of beautiful floral tributes.

Her mind was always full of beautiful thoughts and had no time for evil thoughts against anyone. In the midst of daily deeds well done, she has been taken from those she loved and who loved her. Why, we cannot tell, but some time we may understand. To know Lucia was to love her.

The funeral service was held from the home of her parents, Tuesday afternoon, June 12, conducted by Rev. Ira D. Morrison of Nottingham, and was largely attended. The bearers were Walter and Edwin Plumer, Lionel Harvey and Charles Green. Burial was in the family lot near her home.

There was a large attendance at the graduation exercises of the South Lee school on Friday evening, June 15, at the school house, which was tastefully decorated with crepe paper and flowers. The class colors were old rose and silver. The class motto was "Step by Step," which was mounted on a green background using the Latin words in silver tinsel. The program consisted of a play, recitations, flower exercise and singing, all pupils doing their parts very well. There were two eighth grade graduates: Doris Cook and Chesley Durgin. Their teacher, Miss Edna Merrill, presented several certificates for

different things, such as perfect attendance for two years, for one year, for the most improvement during the two years she has taught. She also presented the diplomas

On Wednesday evening, June 13, Miss Merrill invited the pupils of the seventh and eighth grades down to Newmarket and gave them a banquet at Hotel Willey. Saturday the whole school had a picnic in Harvey's grove. They had a basket lunch and Miss Merrill served ice cream to all.

Miss Edna Merrill returned to her home in Portland, Maine, Sunday.

ROGER DAVIS BRYANT

Roger Davis Bryant, whose death occurred at the Maine General Hospital late Friday afternoon, was born in Portland, Nov. 3, 1910. He was the son of Ralph N. Bryant and the late Grace Davis Bryant. He had spent all of his life in this city with the exception of the last school season when he had been doing senior work at Hebron Academy, with the expectation of entering Bowdoin College this fall. He had made a brave struggle for life during an illness of five weeks, following an accident. His vitality and endurance were remarkable.

His life was brief. He was only 17 years of age, but he had already manifested many fine qualities of a worthy young manhood. His numerous friends, including his physician, loved him, for he had a lovable nature, uncomplaining in sickness, patient, courageous and of marked fidelity to and co-operation with the doctor and nurses.

He was ambitious to obtain an education, showing industry in his studies and a useful desire to prepare himself for a useful life. His mind turned very definitely and with ability to mechanics and mathematics, while he was also fond of music, having made some progress with the violin.

He was unusually courteous and particularly thoughtful of elderly people, giving them attention by word and deed, which caused them to remark upon this pleasing trait of his personality. They appreciated his kindly, generous nature.

He was a young man of excellent moral fiber, clean, honest and upright in every way. He loved the outdoor world. He enjoyed nature and sports in the open.

Those who knew him all unite in honest praise of his genuine worth. They will miss him but they know he goes forth well prepared for usefulness and further development in the life to come.

He was a member of the Woodfords Congregational church and Sunday school, in which he maintained an active interest.

He leaves, besides his father, his sister, Dorothy Bryant, his grandfather and grandmother, Mr. and Mrs. Ben F. Davis, his stepmother, Mrs. Harriet C. Bryant, and his half-sister, Jean Elizabeth Bryant.

He is not dead, the lad we loved so
 dearly,
 He has but moved a little farther on.
 Oh, could our earth-bound eyes but
 now see clearly
 Beyond the portals where our boy
 has gone
 We should behold him clad in robes
 of glory,
 With joyful heart before the great
 white throne,
 Telling again Redemption's wondrous
 story,
 Singing His praises who has claimed
 His own.
 He is not dead, the pain-racked cas-
 ket, lightly
 Is laid one side—the pure and lus-
 trous gem,
 The immortal soul, shines even now
 more brightly,
 A jewel in the Savior's diadem
 And were our ears not holden with
 earth noises,
 We even here had heard the glad
 "Well Done,"
 The sweetest music mid all heaven's
 glad voices,
 The royal welcome to the King's
 dear son
 He is not dead, Oh, let the heavy sor-
 row
 Which weighs you down be turned
 to notes of joy,
 His night is passed, and heaven's ra-
 dian morning
 Is bright for the glad smile of your
 boy.
 God's hand is on you, and your hearts
 all bleeding
 Shrink at his touch, but 'tis your
 Father's hand,
 His voice is calling, onward still He's
 leading,
 Where wait the loved ones in the
 morning land.
